ONE OF A KIND DESIGNS

Natural, dainty, on-trend and elegant - Sparkles is the newest collection by Jorge Revilla. Our collection showcases sterling silver with the highest quality rhodium plating, 18kt gold vermeil, hand textures, and unique slices of natural diamonds, making sure each piece one-of-a-kind.

THE SPARKLES STORY

After years of designing modern and bold collections, brother and sister team Jorge and Gloria Revilla were struck by the beauty of small natural diamond slices and wanted to create something for all ages, a collection to be layered and loved. Stunning with a t-shirt or a little black dress, Sparkles can take you effortlessly from day-to-night. We are inspired to create uniquely versatile designs that are perfect for adding a bit of sparkle to anything.

Add some Sparkle to your life!
